

BE THE **BEST**  
YOU CAN **BE** AT **EMMANUEL**

**CTK EMMANUEL**  
A CHRIST THE KING SIXTH FORM

A PROFESSIONAL SIXTH FORM CENTRE FOR EXCELLENCE

PROSPECTUS  
**2020-2021**

# Welcome to CTK Emmanuel

If you are a hard-working student, who wants to shine and reach the top in your chosen profession, our new centre for professional excellence is the right choice to achieve your ambitions.

At CTK Emmanuel, you'll be able to choose your specialist area from a wide range of BTEC subjects. These will prepare you for university study and careers in engineering, business, health, education, creative industries, IT and digital technology, media, sport, science or performing arts.

You'll receive extensive pastoral support combined with the structure and support of a sixth form environment, an influential alumni network and lots of industry insight in your chosen subject. You will also benefit from excellent, specialised teaching in your subject, tailored to meet your needs – and careers support to ensure you progress to leading universities.

All our level 3 BTEC programmes are equivalent to three A Levels which is why almost 90% of our most recent cohort of students went on

to universities across the country, including Russell Group universities.

Recently, almost half of all CTK students who were accepted into a Russell Group university had studied BTECs. They went on to study Nursing at Kings College, Dental Therapy at Queen Mary's, Law and Criminology at Sheffield, Mechanical Engineering at Nottingham and Biomedical Science at Warwick, amongst others.

Once you graduate from Emmanuel, you'll have confidence, ambition, self-belief and all the necessary skills and experience to get into university or succeed in a brilliant career.

Welcome to CTK Emmanuel!

**Mr Rob McAuliffe and  
Mrs Shireen Razey,  
Co-Collegiate Principals**

“I've enjoyed a lot of things about CTK. The teachers want the very best for us and are invested in our futures. My teachers introduced me to mentoring programmes and summer schools for universities that I probably would never have found on my own. I would like to study Architecture at The University of Bath or The University of Sheffield.

At CTK your teachers will see your potential and really push you along your path.”

**Alexandra – BTEC Art and Design**

## OPEN EVENTS

### BE THE BEST YOU CAN BE

As you move into an important stage in your education, you'll be learning in a welcoming environment that will provide all the support you need as well as giving you stretching learning targets.

As well as the best teaching, you will have access to specialised graduate programmes, a hall system, extensive enrichment and sporting opportunities.

You are sure to flourish and then want to go on to study at one of the country's leading universities, or onto an illustrious and influential career.

**Saturday**

**23 November 2019**

10am – 1pm

**Wednesday**

**29 January 2020**

4pm – 7.30pm

Further open events will be held in 2020 – please visit [ctkemmanuel.ac.uk](http://ctkemmanuel.ac.uk) for the latest dates and information.

## DID YOU KNOW...

**The top grade D\*D\*D\* for BTECs means triple distinction – and is equivalent to A\*A\*A\* grades at A Level?**

# Be **SUCCESSFUL**

**You will have the opportunity to specialise in a subject that you really enjoy at CTK Emmanuel, which will help to prepare you for higher education and a successful career.**

You can choose from a range of subjects enabling you to progress to university courses and careers in health, medicine, science, engineering, teaching and education, art and design, ICT, performing arts, media or journalism, and business and professional services including law.

### **BTECs as a route to Russell Group universities**

Our advanced BTEC programmes are a great route to university for ambitious students. They are equivalent to three A Levels and attract the same UCAS points. For example, a triple distinction star grade on a BTEC Technical Advanced Diploma will be awarded the same UCAS points as three A\* grades at A Level.

This is why almost 90% of CTK level 3 BTEC students go on to universities,

including those in the prestigious Russell Group. Recently, nearly half of all Christ the King Sixth Form students who were accepted into a Russell Group university had studied BTECs.

BTEC results in our most recent cohort of students were once again exceptional and our Extended Diploma students achieved a 99.6% achievement rate, with almost 90% going on to university.

### **Apply to the best universities**

You will be encouraged to apply to the country's top universities and will be given tailored help with UCAS applications and interviews. A report by national education charity The Sutton Trust, entitled Degrees of Success, placed Christ the King in the top 6% of schools and colleges nationally due to high performance when it comes to university progression.

To help you choose the right university, you will hear talks from graduates and undergraduates, as well as attending our annual Careers conference. This conference is a great opportunity to network with representatives from top universities and colleges in the UK.

### **Set challenging career goals**

From your first day you will be encouraged to think about your future career. You will receive comprehensive, up-to-date careers information, advice and guidance from qualified advisors and help with arranging work experience. At our careers conference you will get the chance to meet a range of professionals, choosing from more than 100 workshops and 90 exhibitors. These cover a huge range of careers from medicine to banking, engineering, entrepreneurship and more. Whatever your ambitions, we have it covered.

Stand out from the crowd  
with our  
**Professional  
Graduate  
Programme**

You will be enrolled on to one of our unique graduate programmes, developed exclusively by Christ the King Sixth Forms.

If you are studying a BTEC Level 3 course, you will join our Professional Graduate Programme (PGP), designed to increase engagement with your academic studies, improve your confidence and give you the edge when applying for universities and jobs.

Your programme is tailored to meet the needs of your individual BTEC course; ensuring skills and opportunities are directly related and essential for the area of work being studied. You will have the unique opportunity to gain additional professional qualifications and follow a bespoke progression and careers programme. This will give you a competitive edge when making university or job applications.

For our other graduate programmes, see page 22.

**In 2018/2019 CTK students went on to over 70 university destinations. These included:**

- A. University of Greenwich**
  - Primary Education
  - Quantity Surveying
- B. University of Warwick**
  - Biomedical Science
- C. St George's, University of London**
  - Diagnostic Radiography
- D. Canterbury Christchurch University**
  - Primary Education
  - Business Management
- E. University of Portsmouth**
  - Sport and Exercise Science
  - Mechanical Engineering
- F. Oxford Brookes University**
  - Biomedical Science
- G. Kings College London**
  - Adult Nursing
- H. Brunel University London**
  - Sport, Health and Exercise Sciences
- I. University of Nottingham**
  - Mechanical Engineering
- J. De Montford University**
  - Accounting and Finance
- K. University of Roehampton**
  - Sport and Exercise Science

**ALMOST**

**90%**

**of CTK's recent cohort of  
BTEC Level 3 students went  
on to university**

# Be **SOMEONE** to **LOOK UP TO**

Choosing your career aspirations and deciding where to study are both important decisions for you to make.

Here at CTK Emmanuel, our focus is on providing a nurturing, challenging and aspirational community environment where you will achieve more than you ever thought possible.

We focus on developing you as a whole person, ensuring you leave us with the confidence, attitude and qualifications to be the very best you can be – in life, in your community and in your career.

## **Ut Vitam Habeant – Living life in all its fullness**

You and your fellow students will lead a full life at CTK Emmanuel.

Not only will you receive exceptional teaching in state-of-the-art facilities, but you will also live a full and active life on campus.

You'll take part in university and workplace visits, careers conferences, sporting competitions and inspirational talks. You'll organise and plan events for your fellow students, as well as having opportunities to represent your peers and contribute to decisions made about college life.

As a result, you'll leave us as well-rounded, thoughtful, caring and ambitious adults, confident in your ability to thrive and ready to realise your full potential.

I've made  
some lifelong  
friends. It's a  
very supportive  
and friendly  
environment.

## **CTK ALUMNI**

"At CTK I met new people who want to succeed in their life. This gave me the motivation to learn, and to be the best that I can be at all times. I realised that you can achieve greatness if you work hard, focus and stay positive.

CTK gave me a different approach towards life; I believe in myself and believe that I can be successful in everything I do."

**Annie – BTEC Business student  
now studying a BA (Hons) Accounting and Finance**

## The CTK Graces

Our Character Education  
Programme

**G** GRIT

**R** RESPECT

**A** ASSURANCE

**C** CURIOSITY

**E** ENDEAVOUR

**S** SELF-ESTEEM

## At CTK Emmanuel, we will:

- **Encourage** you to be ambitious and high achieving.
- **Challenge** you to be resilient, confident, creative and courageous.
- **Educate** you to be articulate, curious, reflective and capable.
- **Support** you to develop the virtues of loyalty, respect, care and commitment.
- **Inspire** you to live principled, moral and dignified lives.

## You will enjoy:

- A huge range of **high-level BTEC courses** to choose from.
- Exceptional **pastoral care**.
- Specialised **graduate programmes**.
- Fantastic **links** with **universities** and **employers**.
- Extensive **enrichment** and **sporting** opportunities.
- State-of-the-art **facilities**.
- Excellent **transport** links and a fantastic **location**.

# Be **CONNECTED**

You will be given the tools you need to start planning your future, thanks to our strong careers programme, links with businesses and our highly successful alumni community.

Some of our successful former students sit on the Christ the King Partnership Board, providing valuable insight into a diverse range of industries.

Exciting opportunities have previously included a professional mentoring programme with the EY Foundation, a Barclays seminar on building resilience and assertiveness, and a talk hosted by the US Ambassador to the UK. Many of our influential alumni take time to visit us and inspire our current students.

### Be supported as an individual

Our tutorial and pastoral support systems ensure you will be nurtured and valued as an individual. We aim for you to graduate not just with the academic achievements you need, but also fully prepared to contribute to society as a well-rounded, self-aware, motivated, and knowledgeable young person.

### Your tailored sixth form experience

When you have your interview with us, our tutors will discuss your options and help you make the subject choice that is right for you. Once your application has been accepted, your study programme will be tailored to your needs and you will be placed in a tutor group.

## External speakers

Our external speaker programme brings more than 30 specialists in their field to our Christ the King Sixth Form centres each year. Previous speakers have included Sir Ian Cheshire (Chairman of Barclays), David Thompson (film producer) and Gary Gibbon (Channel 4 News Political Editor). You will also hear from entrepreneurs and high-fliers in the creative industries.

Your personal tutor will stay with you throughout your time here and will regularly review your progress, help with any difficulties and work with you to set achievable short and long-term goals. You will be given extensive academic support outside of your lessons, including subject-specific workshops, help with homework, coursework or revision, and study skills sessions.

Parents will be actively involved in your success at CTK Emmanuel. Formal reports are provided five times a year and regular parents' evenings enable you and your family to discuss your progress, ask questions and respond to your tutor's comments.

### Receive help with any additional needs

For students with disabilities, or where English is not your first language, we have a dedicated learning support area with experienced staff. Once your application has been reviewed, we will contact you to discuss your needs so that we can make all reasonable adjustments to help you succeed.

### Be talented

You will be joining a thriving, inclusive community where you will be encouraged to get involved in extracurricular activities. You will have opportunities to discover or develop your interests and talents, making new friends and contacts along the way. Whatever your passion – Drama, Media, Business, 3D Animation, Dance, Music, Sport – you can pursue it at CTK Emmanuel.

Some of the activities that you can get involved in include:

- Community projects, such as helping in primary schools and hospitals.
- Residential visits and overseas trips.
- Work shadowing and volunteering experiences.
- Retreats and pilgrimages.
- Expeditions to places such as Kenya, Alaska and the Tien Shan mountains.
- Duke of Edinburgh Award.

### CTK ALUMNI

“What I enjoyed the most about CTK was being able to meet other like-minded motivated people. CTK is a great environment to develop yourself, as you are surrounded by motivated peers and lecturers who strive to get the most out of you.”

Harrison

## RUSSELL GROUP

Half of all Christ the King Sixth Form students who were accepted into a Russell Group university had studied BTECs

# Be in a **GREAT PLACE**

Be in a great position to get your dream job with our enviable track record of academic success, combined with well-equipped, industry-standard learning environments, extensive learning resources and leisure facilities.

## State-of-the-art facilities

You will have a range of specialist facilities and resources to support your studies. These include:

- 18 networked computer rooms and a networked suite of Apple Mac computers.
- A suite of specialist art, design and technology rooms.
- Six fully equipped science laboratories.
- A performing arts theatre and studio with sprung floor and professional lighting systems.
- A media suite with digital editing and recording facilities.
- A music studio with mixing, editing and recording facilities.
- Numerous specialist student support areas.
- Two modern cafes.
- A Chaplaincy area including a Chapel and Chapel common room.

## Learning Resources Centre

Our Learning Resources Centre (LRC) is a silent, independent study area, managed by a team of specialist staff and has extended opening hours to support you. It has computer, printing and scanning facilities for your use. It also provides access to individual study guides for each academic subject, more than 10,000 books, digital resources and online learning materials, specialist journals, periodicals and newspapers, and an audio-visual room.

You also have access to computers, many with industry-standard software, throughout our sixth form centre. You can use wi-fi on site and access your home drive files off site.

“I was worried that I may not settle in, but I have enjoyed meeting new people, and I have really enjoyed my course. Coming to CTK will allow you to develop your confidence because you will be surrounded by loads of students that you can relate to and learn from.”

**Allegra – BTEC Health and Social Care**

“I’ve had a great experience at CTK. I’ve met a lot of new people and gained knowledge that I will need in the future – I want to study Sport and Exercise Science at university. My teachers always went the extra mile to make sure I had all my work completed. I would recommend CTK because the knowledgeable and passionate teachers always help students to succeed.”

**Jorge – Achieved D\*DD in BTEC Sport. Going to study BSc (Hons) Sport, Health and Exercise Sciences at Brunel University**

99.6%

**pass rate for BTEC Extended Diploma students at CTK**

## Sport at CTK Emmanuel

Whether you want to play competitively as part of a team or focus on your own health and fitness, you will have the chance to join in with a range of sporting activities, including:

- Aerobics
- Football
- Volleyball
- Badminton
- Cricket
- Basketball
- Skiing
- Netball
- Cross-country
- Weight training
- Tennis
- Table-tennis
- Fitness training
- Boxing.

As a Christ the King Sixth Form student, you are welcome to use our facilities at lunchtime and after school, including:

- Sports centre
- Gym and multigym
- Four badminton courts
- Five-a-side football pitch
- Basketball court
- Cricket nets

Many of our students have achieved team and individual success both at county and international level, and we host regular visits by accomplished athletes. You will also have the opportunity to take part in our annual Sports Day which brings together all three Christ the King Sixth Form centres for a fantastic celebration of sport.

Find out how  
to apply on  
page 22-23

or apply online at  
[ctkemmanuel.ac.uk](http://ctkemmanuel.ac.uk)

# Entry Requirements and Essential Information

Each Christ the King Sixth Form has a distinctive environment and provides a set of unique opportunities for its students.

“I have enjoyed meeting past students at CTK, who come in to speak to us about what has made them successful. I have also enjoyed learning to stay dedicated in order to achieve my goals – I aim to become an interior or textile designer and plan to study Textile Design at London Metropolitan University.

My teachers have recommended workshops and summer schools to attend. Everyone at CTK dedicates their time to helping students achieve their goals.”

**Wendy –  
BTEC Art and Design**

At CTK Emmanuel, our focus is on providing high level professional qualifications which enable bright, ambitious, hard-working students to be the best they can be, gaining access to top universities as a result.

You'll achieve this by choosing a subject that you find motivational and highly enjoyable, taking part in exciting, exceptional lessons, and receiving extensive pastoral support to ensure you achieve your true potential.

This is why almost 90% of our BTEC level 3 students go on to university.

A Level programmes are offered at our Christ the King Sixth Forms, CTK St Mary's in Sidcup, and CTK Aquinas, a selective sixth form centre for excellence in Brockley.

## Entry criteria for CTK Emmanuel

Our BTEC Level 3 Professional Graduate Programme (PGP) is equivalent to 3 A Levels.

To join our Professional Graduate Programme, you'll need four GCSEs at grades 9-4 including Maths and English.

If you show determination, hard work and a desire to succeed, yet you don't yet meet these entry requirements, we have a range of programmes to help you excel in our nurturing and aspirational environment. Please see page 22 for other routes.

## Dress code at CTK Emmanuel

When you join CTK Emmanuel, you and your fellow students are required to dress smartly for college.

This is intended to support you in making appropriate choices as you prepare for work or the next stage of your education journey. This does not, however, mean that suits or business clothing needs to be worn.

I enjoy the numerous talks and university visits that CTK arranges for us, as well as the diverse group of people that I get to meet.

## BTEC Courses at CTK Emmanuel

- Art and Design 14
- Business 15
- Engineering 15
- Health and Social Care 16
- Information Technology 17
- Media (Creative Digital Media Production) 18
- Performing Arts 19
- Science (Applied) 20
- Science (Forensic) 21
- Sport 21

86%

of level 3 BTEC students gained high grades (distinction or above)

## **ART AND DESIGN**

**BTEC TECHNICAL ADVANCED DIPLOMA** *(Equivalent to 3 A Levels)*

If you'd like to work in the creative industry, this course supports progression into careers in fine art, graphic communication, fashion and textile design, animation, photography and 3D design.

### **CONTENT**

You will experiment with a wide range of tools, materials and techniques in order to extend your practical skills. You will also have the opportunity to study and practice fine art, 3D and textile design, graphics and photography.

During your first year of study, you will develop the knowledge and skills that are essential to the creative process within a broad range of art and design practices. In your second year you will develop a portfolio of work that reflects your creative direction and personal identity within a specialist area of your choice.

### **ENTRY REQUIREMENTS**

Please see the general entry requirements for CTK Emmanuel on page 12. If you do not meet these entry requirements, please see page 22 for other courses which may be of interest to you.

### **ASSESSMENT**

This course is equivalent to three A Levels. You will be assessed through centre-devised projects and assignments.

FOR MORE COURSE  
INFORMATION, SEE OUR  
WEBSITE: [ctkemmanuel.ac.uk](http://ctkemmanuel.ac.uk)

### **Michael – BTEC Art and Design**

“My teachers helped me learn how to use the software that I needed to use for my subjects. I want to study graphics and media design at UAL, as my career goal is to become a graphic designer.”

### **Samuel – BTEC Engineering**

“My experience at CTK has improved my sense of self-worth and the one-to-one communication has helped me understand what I need to do to achieve my goals. I'm aiming to go to Queen Mary University of London to study Physics and Aerospace Engineering.

“My advice to new students would be to enjoy the experience, make friends with people and study hard to achieve your goals.”

## BUSINESS

### BTEC TECHNICAL ADVANCED DIPLOMA *(Equivalent to 3 A Levels)*

This course is highly valued by employers and universities. It is a strong pathway to university-level courses and careers in subjects such as finance, human resources, management and marketing.

---

#### CONTENT

On this work-related course, you will complete projects and assignments that are based on realistic workplace situations, with a focus on finance, ICT, law and marketing. You will visit a range of workplaces and will receive input from many prestigious business partners. You will study topics such as exploring business, developing a marketing campaign, personal and business finance, managing an event, and international business. You will also develop your time management and essay writing skills. This two-year course is equivalent to three A Levels and will equip you with the necessary skills to progress to employment and higher education.

---

#### ENTRY REQUIREMENTS

Please see the general entry requirements for CTK Emmanuel on page 12. If you do not meet these entry requirements, please see page 22 for other courses which may be of interest to you.

---

#### ASSESSMENT

The course is equivalent to three A Levels. It is assessed both internally and externally by set tasks and examinations.

## Anne-Elise – BTEC Business

“My teachers take their time to hold workshops to help us. They always give us feedback on our coursework. I would recommend CTK to anyone who’s thinking of applying, because teachers embrace all students and help them reach their full potential.

I achieved D\*DD, equivalent to A\*AA at A Level. I’m going on to study International Law at the University of Kent. I aspire to become an entertainment lawyer or barrister.”

## ENGINEERING

### BTEC TECHNICAL ADVANCED DIPLOMA *(Equivalent to 3 A Levels)*

If you study Engineering, you could soon be learning about sustainable energies, robotics, aeronautics, and medical technology or intelligent building design. According to a 2018 government study, the engineering sector needs around 186,000 skilled recruits each year until 2024. There are a huge number of careers across every sector of the economy. This course is equivalent to 3 A Levels and accrues UCAS points in the same way – so there are lots of progression routes to respected universities to study Engineering at degree level.

---

#### CONTENT

You will be using Computer Aided Design (CAD) systems to design stimulating products, and standard computer packages to produce illustrated reports. You will study engineering product design and manufacture, microcontroller systems for engineers, calculus to solve engineering problems and engineering principles. Optional units include mechanical behaviour of non-metallic materials, welding technology, electrical installation of hardware and cables, Computer Aided Design, and electrical power distribution and transmission.

---

#### ENTRY REQUIREMENTS

Please see the general entry requirements for CTK Emmanuel on page 12. If you do not meet these entry requirements, please see page 22 for other courses which may be of interest to you.

---

#### ASSESSMENT

The course is equivalent to three A Levels and is assessed through practicals, assessments and coursework.

Did you know that the average salary for engineering jobs is

£47,896

Source: The engineer: What is the average salary for an engineer in the UK in 2018?

## **HEALTH AND SOCIAL CARE**

### **BTEC TECHNICAL ADVANCED DIPLOMA** *(Equivalent to 3 A Levels)*

After completing your advanced diploma, you can progress on to degrees in social work, paramedic science, occupational therapy, police, probation services, midwifery, youth and community work and all fields of nursing.

This course can also provide access to relevant apprenticeships in care.

#### **CONTENT**

This course will provide you with an excellent opportunity to develop a good knowledge base and practical care skills for professions within health and social care.

The BTEC Technical Advanced Diploma in Health and Social Care will empower you to grow in confidence, improve their organisational skills and mature intellectually.

You still study topics such as human lifespan development, working in health and social care, anatomy and physiology, enquiries into current research in health and social care, meeting individual care and support needs, promoting public health, and principles of

safe practice in health and social care. You will also undertake work experience as part of your course.

#### **ENTRY REQUIREMENTS**

Please see the general entry requirements for CTK Emmanuel on page 12. If you do not meet these entry requirements, please see page 22 for other courses which may be of interest to you.

#### **ASSESSMENT**

This course is equivalent to three A Levels. Four units on this course will be externally assessed through examinations, which makes up 42% of the final result. All remaining units will be assessed and graded through reports, activities, a controlled assessment and a variety of other tasks.

FOR MORE COURSE  
INFORMATION,  
SEE OUR WEBSITE:  
[ctkemmanuel.ac.uk](http://ctkemmanuel.ac.uk)

### **Jennyfer – BTEC Health and Social Care**

“My teachers have shown me how Health and Social Care can lead to a lot of different career options. I now plan on going on to university to study either Criminology or Nursing.

CTK gave me the opportunity to go on a residential trip to France, which gave me a great insight into some of the units I have been studying. My teachers always gave me feedback on my work and helped me strive for the best grade possible.”

## INFORMATION TECHNOLOGY

### BTEC TECHNICAL ADVANCED DIPLOMA *(Equivalent to 3 A Levels)*

This is an excellent course to study if you are considering a degree or career in information systems, computer animation, website design or database administration.

A BTEC in Information Technology is also a good pathway to combine with business information systems and project management.

#### CONTENT

You will be studying the relationship between hardware and software, managing and communicating information and data, and the principles of designing and developing digital technologies and processes to support organisations. This course also includes a choice of optional units, covering areas such as data modelling and analytics, mobile internet technologies, creative technologies and enterprise for IT. The core units you will study include Information Technology systems, creating systems to manage information,

using social media in business, programming, IT project management, cyber security and incident management and IT service delivery.

#### ENTRY REQUIREMENTS

Please see the general entry requirements for CTK Emmanuel on page 12. If you do not meet these entry requirements, please see page 22 for other courses which may be of interest to you.

#### ASSESSMENT

This course is equivalent to three A Levels. You will be assessed through centre devised projects and assignments.

## Ajith – BTEC Applied Science

“I applied to CTK after coming to a progression day arranged by my school. I would 100% recommend CTK to others, the college improves you not only academically but in all aspects. CTK really lived up to my expectations, I have made good friends and the teachers are so supportive. I was so happy to get my final grades D\*D\*D\* and I’m now going to study Biomedical Science at Warwick University.”

## Rukaya – BTEC Health and Social Care

“I achieved D\*D\*D, equivalent to A\*AA at A Level. I’m now studying Criminology and Forensic Psychology at Kingston University.

I came to CTK because I heard the college gets outstanding results. My teachers have pushed me to achieve my best and have given me a lot of support.”

#### DID YOU KNOW...

**The skills shortage in key areas of the digital economy means there are a vast amount of job opportunities for you, should you study an ICT related course at university.**

Source: Overview of the IT sector in the UK

## Lara – BTEC Media

“I would recommend CTK because it has a strong sense of community and really good teachers. I’ve really enjoyed meeting new people and my course trips. My teachers offer one-to-one support and advice on improving my coursework. I’m aiming to go on to study Communications and Media at the University of Kent.”

**Did you know that the average salary for media related jobs is**

**£52,500**

CW Jobs: average salary for Media jobs

## **MEDIA (CREATIVE DIGITAL MEDIA PRODUCTION)** BTEC TECHNICAL ADVANCED DIPLOMA *(Equivalent to 3 A Levels)*

This course is valued by employers and universities. On completion of the course you can progress to a degree course such as multimedia, advertising, TV or film. The course also provides excellent opportunities to begin work within the media industry.

### **CONTENT**

The course in Creative Digital Media Production is perfect if your ambition is to work in the media or the creative industries, covering units such as film editing, sound editing, digital photography and advertising production.

You’ll develop a broad understanding of creative media whilst building on specialist areas of interest. The course will ensure that you start building the technical skills, knowledge and understanding relevant to working in the evolving, fast moving and exacting media industry. The units also provide a unique insight into employment opportunities, job requirements, and working practices needed to compete in such a highly competitive industry.

### **ENTRY REQUIREMENTS**

Please see the general entry requirements for CTK Emmanuel on page 12. If you do not meet these entry requirements, please see page 22 for other courses which may be of interest to you.

### **ASSESSMENT**

This course is equivalent to three A Levels. You will be assessed by coursework and external examination.

## PERFORMING ARTS

### BTEC TECHNICAL ADVANCED DIPLOMA

*(Equivalent to 3 A Levels)*

This course can lead to degrees in related subjects such as performance, theatre studies, dance, drama, choreography and acting.

#### CONTENT

This is a two-year course that is equivalent to three A Levels and is suitable for anyone wanting to progress to university or to work in the performing arts industry. This is an engaging course which will cover units in acting, dance and musical theatre, including individual and group performance, research and analysis – research methodology, independent learning, extended writing, idea generation, evaluating information and drawing conclusions from it. You will develop your knowledge and skills for employment in performing arts, including self-promotion and marketing.

You will also develop your all-round performance skills and transferable skills such as self-confidence, self-presentation, personal discipline, time management and organisational skills which are highly regarded by employers and higher education providers.

#### ENTRY REQUIREMENTS

Please see the general entry requirements for CTK Emmanuel on page 12. If you do not meet these entry requirements, please see page 22 for other courses which may be of interest to you.

#### ASSESSMENT

You will be assessed through seven mandatory units, four of which are externally assessed.

#### DID YOU KNOW...

**Three of the top four jobs held by graduates employed in the UK include actors, entertainers and presenters, arts officers, producers, directors, dancers and choreographers?**

Prospects: What do performing arts graduates do?

[ctkemmanuel.ac.uk](http://ctkemmanuel.ac.uk)

## **SCIENCE (APPLIED)**

**BTEC TECHNICAL ADVANCED DIPLOMA** *(Equivalent to 3 A Levels)*

If you study Applied Science, there is a wide range of career paths you could take, including pharmacy, engineering, nutritional science and nursing.

### **CONTENT**

This two-year, full-time course is equivalent to 3 A Levels, which means you can progress to a range of universities. During the course, you'll study science investigation skills, principles and applications of science, genetics and genetic engineering, physiology of human body systems and electrical circuits and their application. You'll also develop medical physical techniques, laboratory techniques and their applications, investigative science project, microbiology and microbiological techniques and forensic evidence collection and analysis.

### **ENTRY REQUIREMENTS**

Please see the general entry requirements for CTK Emmanuel on page 12. If you do not meet these entry requirements, please see page 22 for other courses which may be of interest to you.

### **ASSESSMENT**

You will be assessed through a combination of internally set and verified coursework, written examinations and externally assessed assignment tasks.

### **Daniel – BTEC Applied Science**

“I’ve enjoyed the science practicals and the work I’ve done in the labs on my BTEC science course. My teachers always had one-to-one discussions with me about how I could improve my work – and this has helped to learn to always strive and do my best.

I’m aiming to study Biotechnology at the University of Greenwich.”

## SCIENCE (FORENSIC)

### BTEC TECHNICAL ADVANCED DIPLOMA *(Equivalent to 3 A Levels)*

BTEC Forensic Science is respected by universities, and progression to Higher Education is high. You could go on to pursue a range of different career paths including biomedical sciences, forensic science, engineering, bioscience, nutrition, biochemistry, pharmacology, radiography and nursing.

#### CONTENT

During your two-year course, you'll study the principles and applications of science, practical scientific procedures and techniques, science investigation skills, laboratory techniques and their applications and contemporary issues in science. The optional units will cover topics such as chemical analysis, applications of organic chemistry, and forensic evidence collection and analysis.

#### ENTRY REQUIREMENTS

Please see the general entry requirements for CTK Emmanuel on page 12. If you do not meet these entry requirements, please see page 22 for other courses which may be of interest to you.

#### ASSESSMENT

You will be assessed through coursework, written examinations and externally assessed assignments. 60% of your course will be assessed through coursework and the remaining 40% through externally assessed written examinations that will assess your scientific knowledge and practical skills.

**Did you know that the average salary for forensic scientists in the UK is**

**£26,667**

## SPORT

### BTEC TECHNICAL ADVANCED DIPLOMA *(Equivalent to 3 A Levels)*

The BTEC Technical Advanced Diploma in Sport is for those wishing to pursue a career in sports development or jobs in coaching and the fitness industry, sports therapy and rehabilitation and business in sport, for example marketing. It is also appropriate for progression to teaching roles that would be entered through specialist degree routes.

#### CONTENT

You will develop knowledge, understanding, practical skills and appreciation of the context in which sports activity takes place. You will study topics such as anatomy and physiology, fitness training and programming for health, sport and well-being, sports leadership, sports event organisation, development and provision of sport and physical activity, coaching for performance, professional development in the sports industry, sports psychology, practical sports performance, application of fitness testing, rules and regulations, investigating business in sport, skill acquisition and research methods.

#### ENTRY REQUIREMENTS

Please see the general entry requirements for CTK Emmanuel on page 12. If you do not meet these entry requirements, please see page 22 for other courses which may be of interest to you.

#### ASSESSMENT

This course is equivalent to three A Levels. You will be assessed through coursework and externally examined units.

#### DID YOU KNOW...

**A degree in a sports related subject will provide you with a strong foundation on which you can build a career in the sports industry. It will also give you highly transferable business and management skills.**

Prospects: What can I do with my Sports Science degree?

# Our Graduate Programmes which one is for you?

Stand out from the crowd with our unique Graduate Programmes, developed exclusively by Christ the King Sixth Forms.

## Professional Graduate Programme

### BTEC Level 3

This is our most popular programme as it is equivalent to 3 A Levels and enables you to progress to top universities, studying one of the vocational subjects listed in this prospectus.

You will have the unique opportunity to gain additional professional qualifications, which will give you a competitive edge when making university or job applications. You will also access a bespoke progression and careers programme as well as receiving extensive pastoral support and careers advice. See page 12 to 13 for entry requirements, and pages 14 to 21 for full course information.

## Aspiring Graduate Programme

### BTEC Level 2

This programme gives you opportunities to consolidate your learning so that you can progress to Level 3 courses, if you don't yet meet the entry criteria. Subjects available on this programme are:

- Art and Design
- Business
- Engineering
- Health and Social Care
- Media (Creative and Digital Media Production)
- Sport
- GCSE English and Maths

### ENTRY REQUIREMENTS

Minimum of 4 GCSEs at grade 3 or above.

The Aspiring Graduate Programme will develop self-confidence, communication and study skills. Your tutors will deliver a bespoke tutorial programme, catered to your needs and aspirations and also including English and Maths.

## Foundation Graduate Programme

### BTEC Level 1

This programme will help you to progress on to a Level 2 programme of study by developing effective ways of studying, and giving you the communications skills, business initiative and confidence you need to succeed. Subjects available on this programme are:

- Business
- Creative Arts
- Literacy 1
- Numeracy 1

### ENTRY REQUIREMENTS

Minimum of 4 GCSEs at grade 2 or above.

You will be enrolled in a tutorial programme which offers specialist teaching on a nationally recognised qualification. You will be given support to progress at CTK Emmanuel or elsewhere. If you want to move into work, we will help you in seeking an apprenticeship or job.
