Christmas gift appeal

CTK is excited to announce that it has teamed up with East Kent Colleges Group (EKC) in a Christmas Gift Appeal. The campaign hopes to collect gifts and raise money for our chosen charities: Demelza Hospice, Refuge and the St Vincent de Paul Society. You can learn more about our Christmas Gift Appeal below or visiting the CTK website <https://www.ctk.ac.uk/christmas-gift-appeal/>

We will be collecting donations of toys, Christmas presents or donations to ensure that those in need still get to experience the joy of receiving something special this Christmas.

CTK Principal Shireen Razey says; "Our students are keen to make a difference in the local communities where they live and work, many of which have been effected by the pandemic. Our sixth forms do a lot of work supporting charities, and we all wanted to make the festive period special for young people who have experienced such hardship this year".

If you would like to donate to the campaign you can drop presents off at CTK St Mary's in Sidcup, CTK Emmanuel in Lewisham or CTK Aquinas in Brockley.

Suitable donations:

The charities are only able to take **new items, sealed in their packaging**. The items they can accept are:

Toys, Puzzles, Colouring Books or Puzzle Books, Gift vouchers, Toiletries, Chocolates/ Biscuits or Hot Chocolate.

You can also donate money at the fundraising page EKC Group and Christ the King Sixth Forms have set up: gf.me/u/y8iw73

CTK PRAYER

God of Love

As members of the Christ the King Sixth Forms family we ask for your continued blessing upon our work and study. You are the source of all truth and wisdom.

May we experience in full the Life that you offer us each day, to become the best that we can be.

Let no distractions or fears prevent us from trusting in your endless care for us.

Shine your Light into our lives that we may become brighter beacons of faith, hope and love in our community.

We make this prayer through Christ the Lord.

Amen.

CHRIST THE KING WEEK

GEOGRAPHY FIELD TRIP

On a field trip to Beckenham Place Park, students followed the route of enquiry as they investigated elements of the carbon cycle and water cycle in an environment. They generated their own key questions and aims for their day, using sampling methods and identifying control measures for hazards. They then collected data in the field for the calculation of carbon, flows and transfers in an environment. Students have gained an understanding of the techniques which can be used to measure carbon and water, as well as being able to identify the limitations of their fieldwork.

JADE ANOUKA

Jade Anouka is an actress and CTK Emmanuel alumni. She has recently had an article in the Financial Times where she talks about the positive impact that CTK has had on her career. You can read the full article at <https://www.ft.com/content/3d20e5de-6e6d-4fe6-b15f-8287422691e0>

EDUCATE

This week students were introduced to our brand new initiative, EDUCATE.

EDUCATE is a forum that gives students the platform to discuss and share titles such as Books, Movies, Plays, Poems, Netflix Series, Newspaper Articles etc. that they feel highlight relevant topics surrounding diversity and acknowledges positive representations of Black, Asian and minority groups.

Students are encouraged to send their suggestions each week, with the best suggestion being displayed in the LRC.
